Governors are looking to appoint an outstanding Teacher in Charge to cover maternity leave for in our new Special Support Centre for children with social communication and interaction needs at St Margaret's CE Primary School Angmering. The centre opened in January 2024 and is a brand new facility with classroom, sensory room, calming room, kitchen and offices.

This exciting appointment starts at the beginning of the spring term (6th January 2025) to enable the successful candidate to work with the existing centre manager to ensure a smooth transition.

Our new centre is based in the heart of our 2-form entry primary school and supports up to 12 children when full. The school is in Angmering village and benefits from fantastic facilities, extensive playing fields, Forest School and an amazing staff team.

We are seeking an outstanding teacher with the highest expectations of themselves and the ability to inspire the whole SSC team, someone with an interest, experience and passion in supporting pupils with SEND, particularly those with communication and interaction needs. You will have great people skills, lots of drive, commitment, vision and relish the opportunity to develop the team of 5 support staff to provide a place of excellence for the children. This post is likely to be extended beyond January 2026 as a part-time job share.

You will be required to complete an application form with basic personal information and we ask that you complete a personal statement of no more than 2 sides of A4. This should outline your educational vision and experience of working with children with communication and interaction needs.

St Margaret's has the safeguarding of children at its heart and an enhanced DBS will be required for this role.

Closing date: 4th October 2024

Interviews: 11th October 2024

Start date: 6th January 2025

Yours sincerely,

M Jee
Headteacher

St Margaret's C.E. Primary School, Arundel Road, Angmering, West Sussex, BN16 4LP
