

Welcome to Maple Class

At the beginning of the school day, Maple Class children will stand outside the silver gates and then be let into the year 1 outside area. They will be welcomed into the class by Mrs Martin.

On your first day put your named water bottle in the trays outside the classroom and place your fruit in the tray. After that, find your labelled peg on the trolley. Here you can hang up your coat and your P.E bag.

Parents/Carers – At the end of the school day, at 3pm, your child will be dismissed from the classroom door. Please stand in a visible space so the teacher can clearly see you as they will not be released if an adult is not there to collect them. If you have any concerns please contact the team via Seesaw or phone the office and leave a message.

Mrs Martin
Class teacher

Maple Class is at the front of the school.

Please do not enter these gates before school starts at 8.30am

Maple

We hang our coats up on the pegs under the covered area in the summer and inside during the winter.

Chestnut

The toilets are in between both classes and are attached to the Rainbow Room.

We share an outdoor play area with Chestnut Class. It has a sandpit, a play house and a sheltered area. During Discovery time you can go outside and show what you have been learning that day.

At the end of lunchtime play, we line up by the wooden gates.
