

Welcome to Cherry!

We are so excited that you are going to be in Cherry class! Here are some pictures of what our classroom will look like.

Mrs Hills

This is our cosy reading corner!

This is the door you will come in through every morning.

This is where your coats and PE bags go.

This is what the classroom looks like. It will look great with your work hanging up!

This is our outdoor area. We are currently developing this and would love your help and ideas!

This is our snack area. Throughout the year, we change it so that we can learn a new skill and try new foods! It may be measuring cereal and milk or making toast and spreading butter!
