Dear Parents and Carers,

Parking Responsibly Around School

We frequently receive complaints from our neighbours regarding inconsiderate parking together with comments to local residents that are not in keeping with the ethos of the school's values.

We respectfully ask that you do not park too close to residents' access of properties and be mindful of parking that obscures vehicles in order to keep all our children safe.

February half term

February half term is delivered with love at Sky Park Farm, delicious family food, elegant evening dining with a special Valentine Menu and hours of fun for the children.

Deer are at the heart of what we do, but we have so much more to share. This half term we're bringing nature inside - observe an owl, hang out with a hedgehog, ogle a toad and handle a snake with Wild About Britain or track badgers, go behind the scenes with the Rangers, toast s'mores and build dens at Ranger School. Experiment with supersonic science, dance and sing with Suzie Songtime and immerse yourself in the world of Trainmaster UK. If the term has taken its toll and a recharge is needed then book a seat at our movie screenings with popcorn and a drink, we offer a relaxed, family-friendly viewing experience.

Sky Park deer will be grazing in their paddocks throughout half term, feed them by hand and observe the various species in close-proximity. February is the last month to admire full sets of antlers before they are cast in March. The Farm's Adventure Playground will be open for explorers to climb, swing and slide until their heart's content.

Breakfast, brunch and lunch are available seven days a week with a 'Little Fawns' menu available everyday and a Bottomless Brunch from Monday - Saturday every week.
